Notices of Public Information contain corrections that agencies wish to make to their notices of rulemaking; miscellaneous rulemaking information that does not fit into any other category of notice; and other types of information required by statute to be published in the *Register*. Because of the variety of material that is contained in a Notice of Public Information, the Office of the Secretary of State has not established a specific format for these notices.

Title 9, Chapter 25, Article 5, and have recommended changes to the protocols. The Department has drafted changes to the rules in 9 A.A.C. 25, Article 5, based on this input and has made other changes formally requested by stakeholders.
